

Puppy Contract

Puppies are guaranteed to be of communicable diseases at the time of the sale. The buyer must have the puppy checked by a licensed veterinarian with 3 days of purchase. Failure to do so will result in all guarantees being invalid. Seller accepts no responsibility for any communicable diseases after 3 days. If during the above examination a serious health problem is noted, seller must receive a written statement from the buyer's veterinarian within 5 days from date of examination. Upon verification seller's veterinarian of stated health problem, puppy must be returned to seller at buyer's expense along with all registration documents. When available, the buyer will be provided with another puppy of the same sex, quality/value, and color of what is available at the time of replacement or when such puppy becomes available at seller's discretion.

All puppies are guaranteed to be free of severe crippling defects up to 18 months old' If severe hereditary conditions are present before the 18 months old, that severely lowers your pup's quality of life; another puppy will be given to you, free of charge, when available. Buyer is responsible for the shipping cost of the replacement puppy. Written verification from buyer's veterinarian, along with his contact information is necessary. Buyer must present all documentations along with X-rays and any other proper documentation. Seller's veterinarian must agree with the diagnosis and severity of replacement is not required. PennHip evaluations are required if there is a hip problem. Seller does not accept OFA results as final proof of a hip problem. PennHip results of MODERATE or SEVERE HD will warrant a replacement pup. If the pup has ever been bred, all guarantees are invalid. One replacement is given regardless of circumstances. The seller will select replacement when available. Under no circumstance does seller grant cash refunds or accept any liability for medical expenses, veterinarian fees or any other expenses related to the care of your puppy.

Buyer understands and agrees to maintain preventive care of the puppy in regards to hip dysplasia, such as proper nutrition, proper exercise, and preventing stress injuries. A pup or dog who spends much of his time in a crate will not have the HD guarantee as proper exercise is important for proper growth and development. Buyer understands and agrees that extensive exercise before the dog is 18 months and mature is strictly prohibited. This includes Jumping in and out of vehicles: excessive stair use prolong jogging and any other activities that may cause stress to undeveloped joints. Buyer must not allow the puppy to jump from heights taller than itself at the shoulder. Buyer must never leave or give full access to dog food all day. Food has to be given in proper portions throughout the day' we recommend you feed a high quality puppy food, as proper diet will help your puppy maintain good health.
